$$395 + 105 = 495$$

Holiday question is topical nowadays. Many students
expanding the weekend for them but there are some disadvantages in such
decision. Here are some examples.

Firstly, long time holidays can seriously impact on the studying progress, which is
unlikely due to modern ~~the~~ teaching standards. However, it ~~a~~ might encourage people
in self-developing, that means far more confident and self-estimated students.

~~So~~ Secondly, huge amount of free time probably will cause several mistakes
in det developing students minds. Young people are usually unprepared for
any kind of leisure activities. Moreover, it is ~~unusually~~ common for such
people to fall in frustration due to ^{the} lack of knowledge. 106

Lastly, it is obvious that having plenty of free time is expensive. Although ~~you~~
~~a~~ students will be free from any kind of school taxes, which means more
spare money for any type of hobby or activity for pupils. Also it is beneficial
for parents because they would not have to pay for any kind of school
fees, which is great because they would have the ability to spend the money
on their own needs. 179

In conclusion, expanding holidays for students is very irrational. Lack
of knowledge, ~~a~~ self-destruction and huge expenses might be caused by this
decision. However, it might ~~eng~~ encourage people to self-develop themselves due
to plenty of freetime.
